

# If the Chart is not showing your data?

After you have added **NEW TEAM** at your report and you noticed that your chart is not reflecting the data. Let me show you how to change the data in a chart

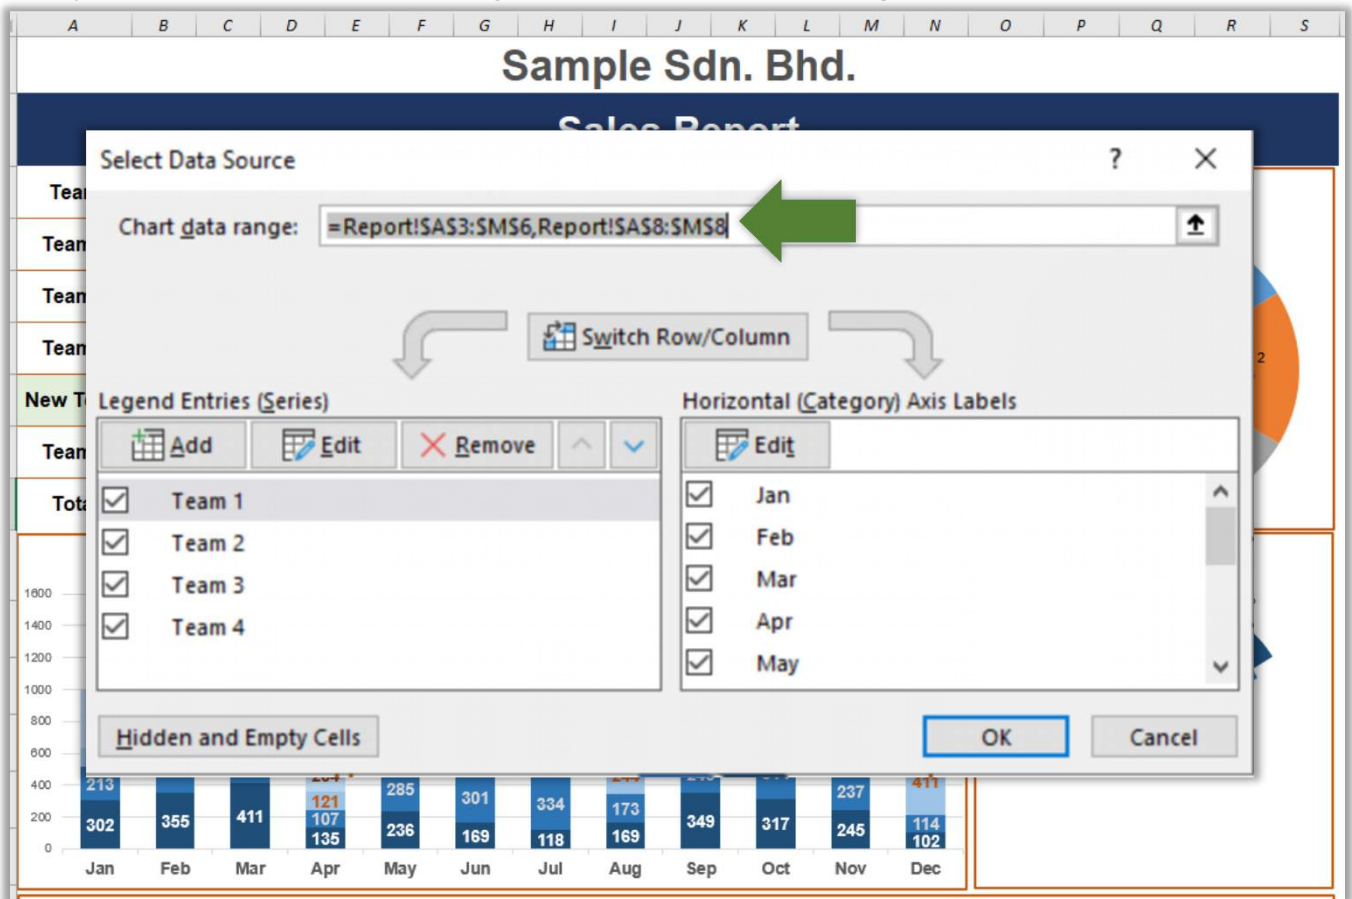

## 1. Right Click on the Chart and press Select Data

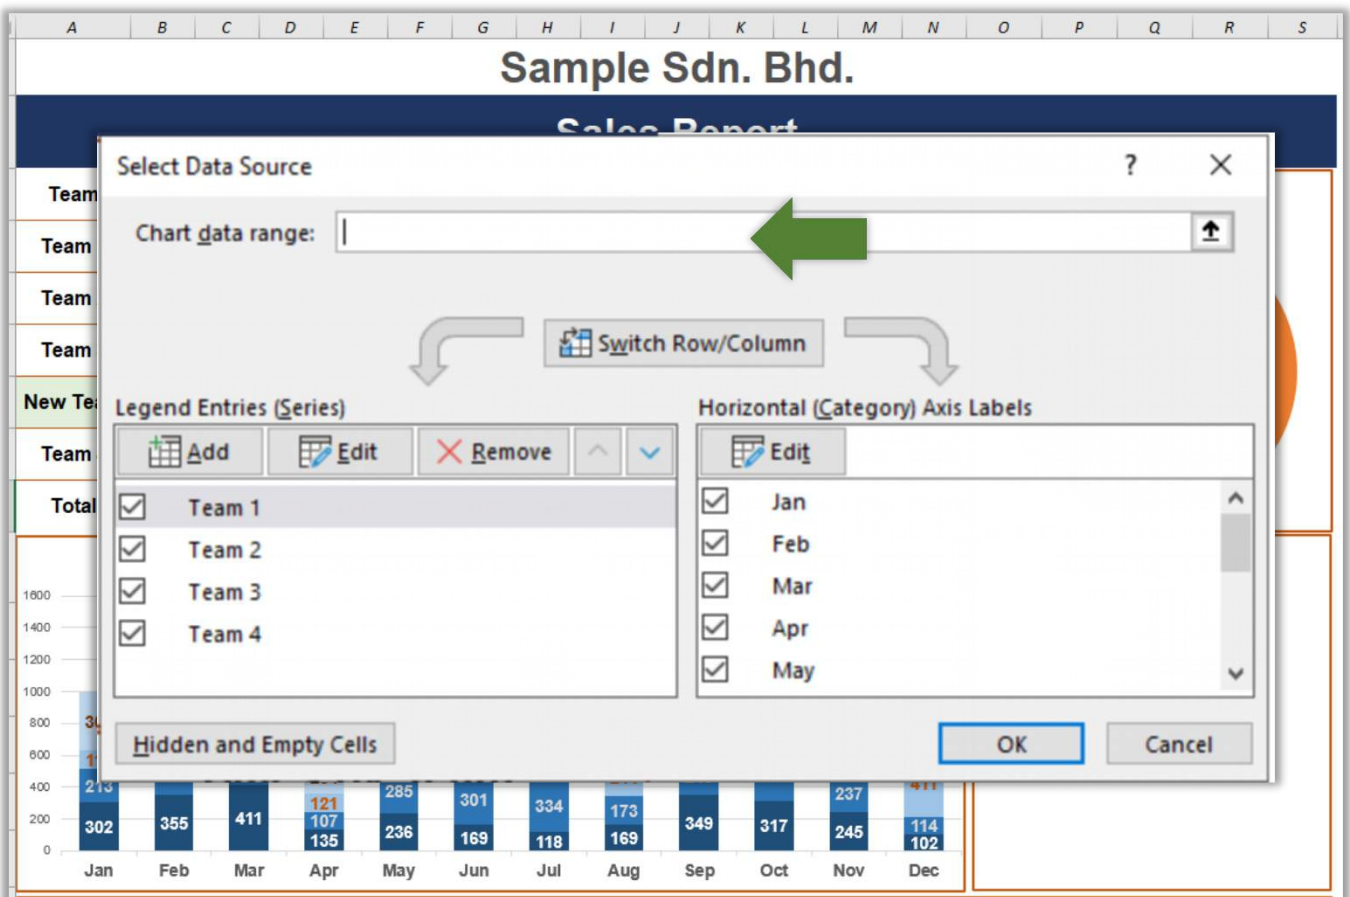

# If the Chart is not showing your data?

2. All you have to do is to change the **Chart Data Range**:

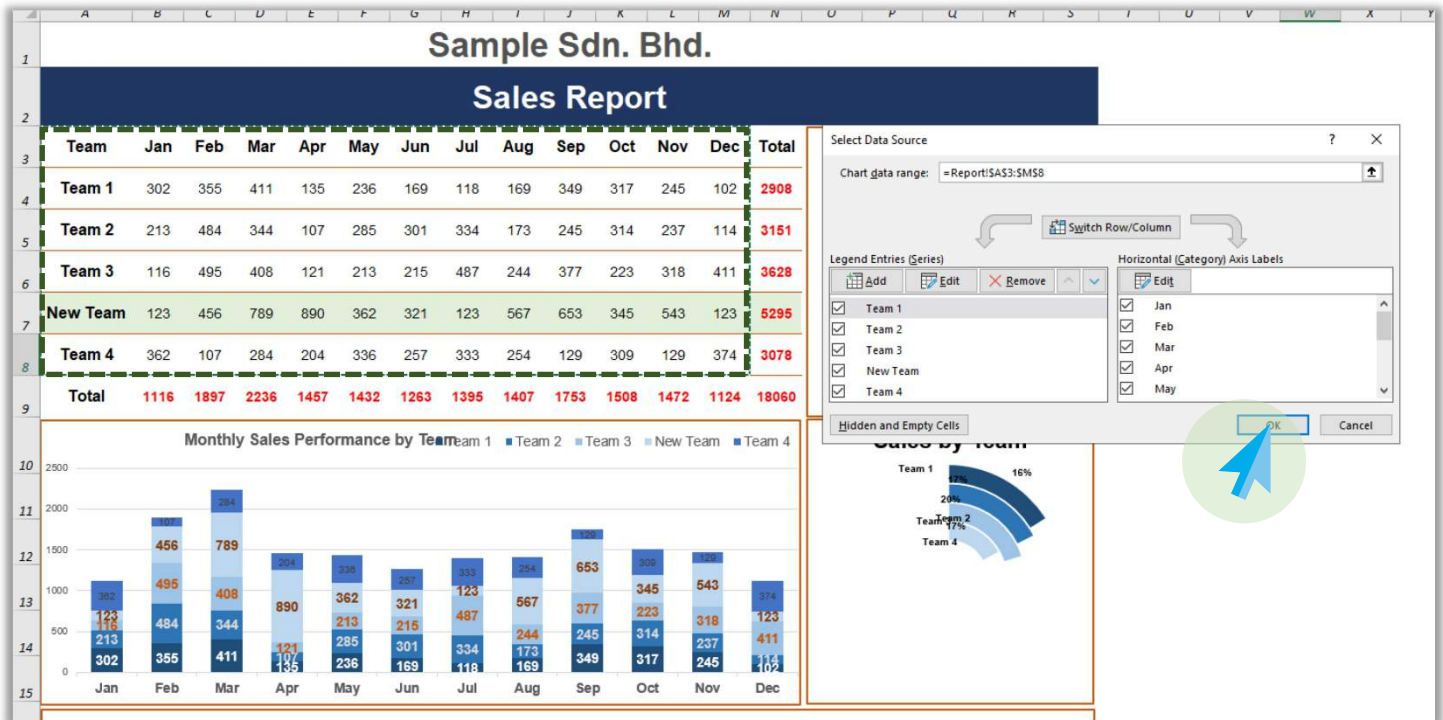

3. **Delete** the old Chart Data Range

# If the Chart is not showing your data?

4. Highlight the data you would like to present in your chart and press **OK**

5. Now you will be able to see your chart with New Team Data
